

REMARKS

Claims 1-16 are pending in this application.

Restriction Requirement

Claims 1-16 are subject to restriction as set forth in the Office Action. Responsive thereto, the election of Group III (claims 13-16, drawn to a product of Formula 1) is made. Furthermore, as a single species, the Applicants elect compound (19), which is disclosed on page 44 of the specification.

This election is made with traverse because Group III (drawn to compounds of formula 1) should be rejoined with the process(es) to make said compounds, Group II. The Applicants elect claims directed to a product and the process claims that depend or otherwise require all the limitations of the product claims should be considered for rejoinder.

The Applicants respectfully await consideration of the present claims on their merits. In the event that minor amendments will further prosecution, Applicants request that the examiner contact the undersigned representative.

Respectfully submitted,
